Our top uniform buying tips...

Blazers

You may want to go for a slightly bigger blazer size if your child will be wearing a jumper during the winter months. Make sure when you try on your blazer the sleeves come down to the knuckles to allow for growth and across the shoulders there is also room for growth.

Boys Trousers

These fit true to size and have an adjustable waist.

Girls Trousers

These fit just below the waist and are a generous fit. There is no adjustable waist.

Skirts

The skirts come with an adjustable waist which can be pulled in to ensure a good fit. Remember to fit to just below the knee.

PE Tops

PE Tops should always be bought slightly bigger to allow for growth and ease of taking on and off in a hurry when changing.

PE Shorts

The PE Shorts have a draw string to pull the waist in tighter.

Don't forget

Don't forget name labels, water bottles and mouth guards!

Building a greener and fairer future

We are committed to doing the right thing for the planet and our people, to ensure we build a fairer and greener future together.

Our boys shorts and trousers are made from 65% recycled polyester and up to 11 plastic bottles are recycled to make the polyester

Our sweatshirts and cardigans are made from 55% recycled polyester and up to 11 plastic bottles are recycled to make the polyester

We are doing our very best to ensure all packaging is sustainably sourced by 2025. By Back to School 2025 we could have saved 50million+ bottles from landfill.

TOTAL CLOTHING – SHARE – REUSE – RECYCLE

As part of our recycling programme we partnership with schools overseas and the UK to ensure that no garments enter landfill.

Second hand uniforms are becoming a credible sales channel and we host Swapping events at our store to enable parents to re-cyle grown out of school uniform rather than it going into landfill. "Long Live School Uniforms"
