St Bede's is a high attaining, over-subscribed 11-16 Inter-Church Academy.

Due to increased provision in our SEND department, we are looking to appoint outstanding teaching assistants who will be able to effectively contribute to raising standards of student attainment by providing a high level of support within the classroom.

This is a role that is ideal for individuals who seek a gap-year of work-based experience before entering teaching, studying at university or who seek to become Educational Psychologists.

Applicants interested in a longer-term role are, of course, more than welcome to apply.

We are happy to consider either full time or part time.

If you enjoy working in a strong, collaborative team environment then come and join us.

We seek to recruit staff at least in sympathy with our Christian ethos who will share our commitment to excellence, innovation and collaboration working in a friendly and professional team.

We have the highest expectations for all our students and aim to provide them with the very best teaching and support to develop into articulate and confident young people.

We are a friendly, welcoming school with a committed staff, motivated students and supportive parents.

St Bede's is committed to safeguarding and promoting the welfare of children and young people. Appointments will be subject to DBS clearance and satisfactory references.
